

Living In Faith needs your help!
Proposed Counseling Center and headquarters for Living in Faith.

Impact Mission Statement:

As part of Living In Faith, Impact's mission is to bring resources *and ministry* to the broken church leadership, denominations, and individuals looking for true Christian Counsel.

Make this dream a reality. Become part of the solution.

Proposal:

Impact *under the guidance of Living In Faith* is ready to open offices for a consulting and counseling center.

Purchase Price	\$250,000.00
Retrofit	\$200,000.00
Total	\$450,000.00

The retrofit will include a conference room and four private suites. Also included will be the computer and telephone system to manage the day-to-day business of Living In Faith and Impact.

The new office will have a budget of \$120,000.00/ year, which will include all expenses to run the office and building. The staff will consist of an executive assistant, along with Rick and Debra to run the day-to-day business of the ministry.

Living In Faith needs your help!

Ministry Information:

[Living In faith:](#)

The mission of *Living In Faith* is:

To reach a 21st Century generation and the Body of Christ with the life-changing message of Jesus Christ

To develop Christ centered leaders with effective ministry skills, tools and resources

To lead God's children more effectively in these the last days.

[Impact Counseling:](#)

Life can often lead individuals and family into times of desperation and exhaustion resulting in an overwhelming loss of confidence and direction. In these crisis moments, we often make decisions that can take years to remedy. *Impact Counseling* is committed to your mental health and growth. Don't let your circumstances lead you into despair or render you emotionally bankrupt. Take control of your life and live out the blessing God has called each of us to enjoy.

[Impact Consulting:](#)

Impact Consulting offers hands on guidance to churches, ministries, and individuals tired of settling for the status quo. Rick Evans has worked with many national clients and walked several organizations through difficult transitions, staff acquisitions, program development and training, and overall assessment.
